Empathy Map

SAYS	THINKS
1. "I want to know if I really understand this concept." 2. "It would be great to get instant feedback on my explanation." 3. "Sometimes I struggle to put my thoughts into words."	1. "Am I explaining this correctly, or am I missing something?" 2. "I need a tool that helps me practice before exams or interviews." 3. "If my explanation is weak, how can I improve it?"
PERSONA NAME <i>(Role / User Type)</i>	

DOES

1. Records or uploads their spoken explanation of a concept.
2. Reviews the similarity score and feedback report.
3. Compares their explanation with the reference answer.
4. Uses suggested resources to improve weak areas.

FEELS

Curious
and
motivated
to
learn.

Sometimes
anxious
about
whether
they
understood
correctly.

Relieved
when
feedback
highlights
strengths.

Encouraged
when they
see
progress
over time.
